

We are here to help and support you!

Our Staff has the right to be treated with kindness at all times without the risk of threatening behaviors or violence this includes physical violence, Profanities, Verbal Threats, and any other threatening behaviors.

This behavior will not be tolerated towards staff or other people in the clinic, and will result in offenders being asked to leave, and will be removed from our client list and discontinued from care here at Reflections Mental Health Services.

Thank You for keeping this a safe place for our staff and other clients!
